

Missouri Home-Based Salon / Barbershop Licensing Packet

For Brian Ivie — Operating from a Residence in St. Ann, MO

1. Overview: Two Licenses Required

Missouri law requires you to hold **two separate licenses** to operate legally:

License	Who	Fee	Valid
Operator License (barber or cosmetologist)	You, the individual practitioner	\$60 biennial renewal	Current
Establishment License	The physical location (your home)	\$75 biennial	Apply now

The establishment license is **tied to the specific address**. If you moved from your old Highway K location, that license is void after 45 days. You need a **new one for the St. Ann home address**.

Agency: Missouri Board of Cosmetology and Barber Examiners

Phone: 573-751-1052

Toll-free: 866-762-9432

Email: cosbar@pr.mo.gov

Website: pr.mo.gov/cosbar.asp

Online portal: mopro.mo.gov

2. Application Process — Step by Step

Step 1: File the Establishment Registration Form

Download: [Establishment Registration \(Cosmetology/Barber/Crossover\)](#).

The form requires:

- Business name and address (your home address)
- Owner name and operator license number
- Type of establishment (barber, cosmetology, or crossover)
- Number of operators working at the location

Step 2: Pay the \$75 Biennial Fee

Send with the application. Make checks payable to "Board of Cosmetology and Barber Examiners."

Mail to:

Board of Cosmetology and Barber Examiners
PO Box 1062
Jefferson City, MO 65102

Step 3: Submit 30+ Days Before Opening

Per 20 CSR 2085-10.010, submit your application **at least 30 days** before you plan to start seeing clients at the home address.

Step 4: Pass Board Inspection

An inspector will visit your home to inspect the establishment area before the license is issued. See Section 4 for the full inspection checklist.

Step 5: Display the License

Once issued, the establishment license must be **posted in plain view** inside the salon area where clients can see it. Your individual operator license must be posted at your workstation.

3. Home Salon — Special Requirements

Operating from a residence adds extra requirements under 20 CSR 2085-10.040:

Separation from Living Quarters

"Beds of any description are not permitted, nor shall any room(s) equipped for barber establishments have any residential purposes."

- The barbering area must be a **dedicated space**, not a bedroom with a bed
- The area should be used **only for salon services** — not for sleeping, storage of personal items, or other residential use

Entrance Requirements

If the salon is inside the home:

- There must be an **entrance to the outside separate** from the living quarters, OR
- The entrance must be **clearly designated** as the salon entrance
- If there are doors inside the salon that lead to the living area, they should be **solid doors** that can be closed during business hours

Restroom Access

Clients need access to a restroom:

- A separate restroom is ideal
- If clients must use a restroom accessible through the living area, keep the path clear and professional

Parking and Visibility

- Ensure client parking does not cause a substantial increase in traffic per St. Ann regulations
 - The business activity should not be highly visible from the street (per Missouri home business law)
 - Check with your HOA or subdivision for any deed restrictions (these can override state law)
-

4. Board Inspection — Full Checklist

When the inspector arrives, they will verify the following. Use this checklist to prepare.

4a. Facility and Physical Space

- ☐ **Floors** — Clean, in good repair, swept after each client (no hair buildup)

- ☐ **Walls and ceilings** — Clean, no peeling paint, no excessive dust
- ☐ **Windows** — Clean, adequate lighting in the work area
- ☐ **Lighting** — Sufficient for services (both natural and artificial)
- ☐ **Ventilation** — Proper airflow; no strong chemical odors trapped in the room
- ☐ **No beds** — No beds of any kind in the barbering area
- ☐ **No residential use** — The room is dedicated to salon services only
- ☐ **Separate entrance** — Clear exterior entrance to the salon, or clearly marked entrance
- ☐ **Solid door to living area** — If the salon connects to the house, a solid door separates them and stays closed during service

4b. Sink and Running Water

- ☐ **Hot and cold running water** available at a sink in or immediately adjacent to the salon
- ☐ Sink is clean and in good working order
- ☐ **Liquid soap dispenser** at the sink
- ☐ **Disposable paper towels** at the sink (not cloth towels shared with the house)

4c. Workstation

- ☐ Clean, sanitized workstation for each client
- ☐ Work surface is non-porous or covered with a clean towel/paper for each client
- ☐ Chair/barber chair in good condition, clean

4d. Sanitation — Tools and Instruments

- ☐ **Wet disinfectant** — EPA-registered disinfectant solution in a covered container for soaking tools (barbicide or equivalent)
- ☐ **Dry storage** — A clean, closed, dry container to store disinfected tools after soaking
- ☐ Tools are cleaned of all hair/debris before being placed in disinfectant
- ☐ Disinfectant changed according to label instructions (not cloudy, not filled with debris)
- ☐ **Combs and brushes** — Disinfected between each client
- ☐ **Clippers/trimmers** — Disinfected between each client; removable blades soaked
- ☐ **Scissors/shears** — Disinfected between each client
- ☐ **Razors** — Single-use blades; disposed of in sharps container after each client
- ☐ **Capes/neckerchiefs** — Clean for each client (disposable neck strips preferred)

4e. Sanitation — Linens and Towels

- ☐ Clean towels available for each client
- ☐ Used linens stored in a covered container, separate from clean linens
- ☐ **No cloth towels shared between salon and household** — use dedicated salon towels or disposables

4f. Waste Disposal

- ☐ **Covered waste receptacle** for hair clippings
- ☐ Hair swept up and disposed of after each patron
- ☐ **Covered waste receptacle** for general trash
- ☐ **Sharps container** for used razor blades (puncture-proof, labeled)

4g. First Aid and Safety

- ☐ **First aid kit** in the salon — contains at minimum: bandages, gauze, antiseptic, antibiotic cream
- ☐ First aid kit is accessible and stocked
- ☐ No expired products in first aid kit

4h. Products and Chemicals

- ☐ All products stored properly, labeled, not expired
- ☐ **MSDS/SDS sheets** available for all chemical products (shampoos, styling products, adhesives, solvents)
- ☐ Chemicals stored away from client area, in a cool dry place, out of reach of children
- ☐ No prohibited razor-type callus shavers on premises

4i. Blood Exposure Procedure

You must be prepared to demonstrate knowledge of:

- ☐ Steps to take if a client is nicked or bleeds (stop service, put on gloves, clean wound, disinfect area, dispose of contaminated materials)
- ☐ Disposable gloves available in the salon
- ☐ Antiseptic and bandages accessible

4j. Display and Posting

- ☐ **Establishment license** posted in plain view (after issued)
- ☐ **Operator license** posted at your workstation
- ☐ **Sanitation rules** posted or available (board typically provides a poster or you can print 20 CSR 2085-11)

4k. Animals and Prohibited Items

- ☐ No animals in the salon (except service animals or fish in aquariums)
- ☐ No smoking in the salon

5. St. Ann City Requirements

Under Missouri law (RSMo § 71.990, effective 2022), the **City of St. Ann cannot require** you to:

- Obtain a home occupation permit or license
- Rezone your property for commercial use
- Install fire sprinklers in a single-family dwelling

However, St. Ann CAN enforce:

- Building codes (if you make structural modifications)
- Fire codes
- Health and sanitation codes
- Traffic and parking regulations
- Noise ordinances

Recommended: Call St. Ann Building & Zoning at **314-427-8009** (ask for Bob Vogel, Building Commissioner) to confirm no local business license or inspection is needed.

6. Cost Summary

Item	Cost	Frequency
Establishment License	\$75	Every 2 years
Operator License Renewal	\$60	Every 2 years
Establishment Change of Location Fee	Varies	One-time (if applicable)
First Aid Kit	~\$20	One-time
Sharps Container	~\$10	As needed
Covered Waste Receptacle	~\$15-30	One-time
Disinfectant (Barbicide, etc.)	~\$15	Monthly
Disposable Gloves	~\$10/box	As needed
General Liability Insurance	~\$400-600/year	Annual (recommended)

7. Home Business Law (What St. Ann Can't Do)

RSMo § 71.990 was enacted in 2022 to protect home-based businesses:

- St. Ann **cannot prohibit** a no-impact home-based business
- St. Ann **cannot require** a home occupation permit or license
- St. Ann **cannot require** rezoning for a home business
- The only restrictions that can block you are **deed restrictions, HOA covenants, or condominium bylaws**

Important: This state law protects you from the CITY, but the **state board's establishment license requirement** is separate — you still need the state license regardless of what the city says.

8. Timeline

Step	When
Prepare salon space	Before applying
Submit establishment application	At least 30 days before opening
Board inspection	Within 30 days of application
License issued	After passing inspection
Begin seeing clients	Only after license is issued

Warning: If you open for business before the board issues the license, a **delinquent fee** will be assessed in addition to all other fees, and the board may take legal action per Chapters 328 and/or 329, RSMo.

9. Key Contacts

Contact	Phone	Purpose
---------	-------	---------

MO Board of Cosmetology & Barber Examiners	573-751-1052	Establishment license, inspection
Board Toll-Free	866-762-9432	General questions
Board Email	cosbar@pr.mo.gov	
MOPRO Tech Support	833-373-2936	Online portal help
St. Ann Building & Zoning (Bob Vogel)	314-427-8009	Local zoning/building questions
St. Ann City Hall	314-427-8009	General city questions

10. Common Inspection Failures — What to Watch For

Based on common board inspection results:

1. **Hair on the floor** — Must be swept between every client, not just at end of day
2. **Dirty tools in disinfectant** — Tools must be cleaned of hair/product BEFORE being placed in disinfectant
3. **Expired disinfectant** — Check dates; barbicide must be mixed fresh per label
4. **No MSDS sheets** — You must have Safety Data Sheets for every product in the salon
5. **Bed in the salon area** — A dedicated salon room cannot double as a bedroom
6. **Cluttered or personal items** — The space must look professional, not like a lived-in room
7. **No covered trash can** — Hair and general trash need covered receptacles
8. **Restroom not accessible or dirty** — Clients need a clean restroom they can reach without going through private areas

11. Regulations Reference

- **20 CSR 2085-10.010** — Licensing: Barber Establishments and Cosmetology Establishments
- **20 CSR 2085-10.020** — Barber and Cosmetology Establishment License Changes
- **20 CSR 2085-10.040** — Specific Barber Establishment Requirements (separation from residence)
- **20 CSR 2085-10.050** — Specific Cosmetology Establishment Requirements
- **20 CSR 2085-11.010** — Barber Sanitation Rules
- **20 CSR 2085-11.020** — Cosmetology Sanitation Rules
- **RSMo § 71.990** — Home-based business limitations on political subdivisions
- **RSMo Chapter 328** — Barber licensing law
- **RSMo Chapter 329** — Cosmetology licensing law
